

I will save you

BY MATT DE LA PEÑA (1-78)

Did Kidd imagine Devon + Olivia's relationship?

↳ anyone real or is Kidd making it up?

isolation
"the definition of a real person is somebody who would notice when you're gone, like that you're about to free falling in the forest"
"one day he'll be the falling tree and one day one will be there to hear it, his life won't really hear made a sound"

Devon never real?

empathy
"that part of your brain that worries about getting caught or hurting another human being"

"Do you believe the worst things that happen to people can end up being the best?"

impulse
"wanting to steal"
"smack somebody in the back of the head just to see what happens"

Kidd → schizophrenic?

red eyes and talking and laughing

comfort
"it made my whole chest and stomach feel warm"
"I sipped more lemonade and felt the warmth"
"I listened and drank my lemonade and felt the warmth"

idyllic
"concentrated on the feeling in my head, which was so light and airy"
"made him see colors, music"
"I looked for rainbow colors all over the beach but it was still just grey and dark-looking"

Society
"in the middle of a I felt like the middle where I belonged"
"like a pack of birds together"

bliss
"she'd said everything so fast I lost track so I just nodded and kept walking"

support
"I believe you can do anything Kidd Elton. Anything you put your mind to."
- Mr. Red
↳ like a father figure to Kidd

... smiling like in his eyes"

"Nothing in the whole world matters except what you truly think."

group 1 "Oh damn... People are ignorant."
