

I will save you - Pg. 78-155

→ Week 2 - Guiding Qs ←

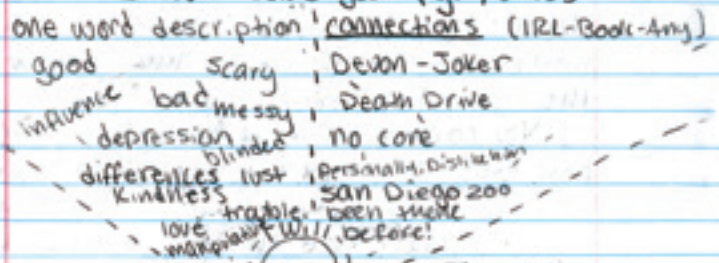

- what big ideas are emerging?
- What trouble is brewing in the plot?
- What author's craft moves are you noticing?

Character Qs. Character Development.

<p>Kidd</p>	<ul style="list-style-type: none"> - Struggles with lots of issues - hard time feeling/process things - what other struggles? - Poverty
<p>Olivia</p> 	<ul style="list-style-type: none"> - Why does she wear the ski-cop? - Poetic - oblivious to her affect on Kidd - What else about her?
<p>Devon</p> 	<ul style="list-style-type: none"> - Why the Death Drive? - What is up with Devon? Life? Family? Up bringing? - poverty/low income/steals clothes - Care free attitude - Trouble maker - Reminds me of the joker

- Author's craft: KIDD'S PHILOSOPHY OF LIFE BOOK
- * Flash Back: Philosophy #3: About switches a lot
- from past from present *
- Pg. 88-90
- talks about Mother in Hospital
- Realized something good from bad

I Will Save You - Pg. 78-155

- Quotes
- Mr Red: "people should work to live, not live to work." - p. 140
 - Kidd "when he escaped his group home at the start of summer, to find a really good friend me, the world became less safe" - p. 142
 - Devon: "we already know how meaningless we are. The world has already shown us. You could learn a lot from poor kids like me and him." pg. 138
 - * Kidd: "when bad things happen to people they can have a moment of clarity where they realize what they have to do." - p. 108
- Thoughts
- Devon is really driven by adrenaline
 - Does Olivia like Kidd?
 - Would they end up together?
 - No, sees him more as the start of summer, to find a really good friend me, the world became less safe
 - San Diego zoo trip
 - Devon: "we already know how meaningless we are. The world has already shown us. You could learn a lot from poor kids like me and him." pg. 138
 - Fixing Cliff fence even from the beginning of the book
 - Devon = real? what they have to do. - p. 108
